(3) Procedures implementing other authorities.

(4) Policy recommendations that do not require implementation by another Federal agency.

(4) Where an environmental impact statement (EIS) has been prepared consider the specific alternative analyzed in the EIS when evaluating the proposal which is the subject of the EIS.

(b) For each of the Council's principal activities covered by NEPA, the following chart identifies the point at which the NEPA process begins, the point at which it ends, and the key officials required to consider environmental documents in their decision-making.
